

Community Mental Health Trainer Mental Health America of Arizona

JOB TITLE: Community Mental Health Trainer

SUPERVISOR: Executive Director

GENERAL JOB DESCRIPTION

Mental Health America of Arizona is an established mental health education and advocacy organization. We are focused on raising awareness of mental health issues in our community, help community members find help for their mental health, and reduce mental health stigma.

Mental Health America of Arizona has received a grant to provide 2 hour trainings to community organizations (including schools and workplaces) that provides the community with foundational mental health concepts, how to identify if someone may need help, how to get help, and how to ensure that workplaces are providing a strong environment to support staff's mental wellness.

The Community Mental Health Trainer is a contract position with the goal of completing 2 hours community trainings as needed. Will require a flexible schedule.

The preferred candidate will have a strong background in mental health issues and community trainings. The candidate will have frequent contact with the Executive Director, and needs to be able to operate and complete trainings independently.
